

CHALET AGAPES

Cosy 3* ski chalet for 10 near lake and restaurants

Get away from it all at this cosy chalet in the woods, close to lakeside walks and restaurants

Woodland retreat just minutes from cable car, lake and village

It's hard to believe that Chalet Agapes is a modern build - nestling in the woods close to the beautiful Lake Montriond, it looks like it has been there for ever!

It's also deceptively spacious - built in to a slope, there's an extra floor you can only see from the back.

Its location is perfect for those arriving by car - just a few minutes drive from the Ardent cable car, which will whisk you into the Avoriaz ski area. It's just a short walk from lakeside restaurants and a few minutes drive from the traditional town of Morzine.

This 3 star chalet has a garden, sunny terrace and balcony on the back of the property, to catch the sun, and there's no better place to relax, with the mountains towering above you.
